NEW WESTMINSTER CITY BY-LAWS.

RAILWAY LOAN APPROPRIATION BY-LAW, 1890.

A By-Law to enable the Council of the City of New Westminster to appropriate to other purposes a portion of the \$155,000 borrowed under authority of the "Railway Bonus By-law, 1889."

WHEREAS, under authority of a certain by-law, intituled the "Railway Bonus By-law, 1889," passed by the Council of the City of New Westminster on the 14th day of October, 1889, the sum of \$155,000 was borrowed for the purpose of assisting the Southern Railway Company by a bonus and otherwise: And whereas the said sum of \$155,000 has been placed on deposit in the Bank of British Columbia, where it now is:

And whereas the said Southern Railway Company has relinquished all claim to the said sum of \$155,000, or any part thereof, and the said sum is not required for the purposes for which it was borrowed:

And whereas a by-law intituled the "Street Improvement Loan By-law, 1890," empowering the Mayor of the said city to borrow the sum of \$80,000 for cer-

tain street improvements, received the assent of the electors and was passed on the 28th day of April, 1890. but no debentures have been made or issued under authority of the said by-law:

And whereas it is expedient that a portion of the said sum of \$155,000, namely, the sum of \$139,000, should be applied to public works and objects other than those for which it was borrowed:

Therefore the Mayor and Aldermen of the City of New Westminster, in Council assembled, enacts as follows:—

1. The "Street Improvement Loan By-law, 1890," is hereby repealed, and no debentures shall be made or issued thereunder.

2. It shall be lawful for the Council to appropriate and apply \$139,000 of the \$155,000 borrowed under authority of the "Railway Bonds By-law, 1889," to the works and objects hereinafter set out, that is to say:—

- (a.) The sum of \$80,000, intended to be borrowed under authority of the said "Street Improvement Loan By-law, 1890," together with the sum of \$2,000 expected to be realized as premium on the debentures proposed to be issued under said by-law, making in all the sum of \$82,000, may be applied to the improvement of certain streets and the formation of a Contingent Reserve Fund, as set out in the said "Street Improvement Loan By-law, 1890," and the said sum of \$82,000 shall be used only for works and objects mentioned in the said by-law, and shall be applied under the exact conditions therein set forth, as if the said by-law was still in force.
- (b.) The sum of \$20,000 may be applied towards the establishment of an efficient steam ferry across Fraser River at the said City, and the erection and equipment of such wharves and ways as may be necessary in connection therewith.
- (c.) The sum of \$1,500 may be applied to the making of preliminary soundings and surveys, and to the doing of other things necessary to ascertain the approximate cost of the construction of a traffic bridge over Fraser River at the said city.
- (d.) The sum of \$5,000 may be applied to the procuring and equipment of a rock crushing machine for the use of the said city.
- (e.) The sum of \$4,000 may be applied towards the cost of procuring such lands as may be necessary for the extension of Columbia street towards the western limits of the city, and towards the procuring of a right of way for the Southern Railway.
- (f.) The sum of \$2,500 may be applied towards protecting and improving that tract of land within the said city known as the pleasure grounds.
- (g.) The sum of \$1,000 may be placed to the credit of the general revenue of the city, being the sum paid out of general revenue for the purchase of the ferry charter.
- (h.) The sum of \$20,000 may be applied to the erection of a suitable building on lot 2, block 14, in said city, and the equipment thereof as a public library, reading room, lock up, and police offices.

3. In the event of its being found that any of the sums appropriated under sub-sections *b, c, d, e, f, and h*, of section 2 of this by-law are greater than may be required for the undertakings therein set out, it shall be lawful for the Council, by resolution, to apply the surplus remaining from any such appropriation to any of the other undertakings mentioned in said sub-sections if required for the efficient execution of the said undertakings; and if there should remain a surplus after the undertakings specified in said section 2 have been completed, such surplus may be placed at the credit of the general revenue of the city and may be applied in any way the Council may by resolution lawfully determine.

4. This by-law shall come into force on the 19th day of June, 1890.

5. This by-law, before the final passing thereof, shall receive the assent of the electors of the city in the manner provided in the "New Westminster Act, 1888," and amending acts.
